

DO IT RIGHT THE FIRST TIME WITH GATES!

4WD COOLANT HOSE PACK

Gates Radiator hose packs provide the best and most convenient solution to prevent your 4WD from over heating.

Includes a FREE Stant Thermostat!

Gates is pleased to announce the launch of four new 4WD application specific hose packs. The hose pack provides a proactive method of selling all critical cooling system hoses. When one hose fails on a vehicle, there is a strong possibility that all other hoses are close to failure. Save on coolant and replace them all at once!
